TELIGENT, INC.

International Special Project

Applicant requests a declaratory ruling that it would serve the public interest under Section 310(b)(4) of the Communications Act to allow its subsidiaries holding common carrier radio licenses to increase their level of indirect foreign ownership up to a 49.9 percent non-controlling level. Teligent seeks approval only for fluctuations in publicly traded shares that may cause it to exceed 25 percent foreign ownership in the aggregate. It does not seek approval for any situation in which ownership by entities from non-WTO member countries exceeds 25 percent.
